

Legacy Match Non-Consensual Involvement Prevention Policy

Effective Date: June 23, 2026

Legacy Match is committed to maintaining a safe environment that prohibits any form of non-consensual involvement, including the creation of accounts without authorization and the distribution of non-consensual intimate imagery (NCII). This policy outlines the safeguards, controls, and enforcement measures used to prevent such activity.

1. Prohibited Conduct

Legacy Match strictly prohibits:

- Creation of accounts using another person's identity or without their consent
 - Impersonation of any individual or misuse of another person's likeness
 - Sharing, uploading, or distributing non-consensual intimate imagery (NCII)
 - Harassment, coercion, or exploitation of other users
 - Any activity involving unauthorized use of personal information or images
-

2. Account Creation Safeguards

To reduce the risk of non-consensual account creation, Legacy Match requires:

- Email verification during registration
- Mandatory age affirmation confirming users are 18 years or older
- Agreement to Terms of Service and Acceptable Use Policy prior to account activation

Accounts that fail verification steps or appear suspicious may be restricted or reviewed.

3. Detection and Monitoring Controls

Legacy Match uses a combination of automated systems and manual review to identify potential non-consensual involvement, including:

- Detection of duplicate or reused profile images

- Monitoring for suspicious account creation patterns
 - Automated flagging of abnormal messaging or engagement behavior
 - Review of content reported by users for impersonation or unauthorized use
-

4. User Reporting Mechanisms

Users may report suspected non-consensual accounts or content through in-app reporting tools. Reports are prioritized based on severity and reviewed by authorized personnel.

Reported issues may include:

- Fake or impersonating profiles
 - Unauthorized use of photos or identity
 - Suspected non-consensual intimate imagery
 - Harassment or coercive behavior
-

5. Enforcement Actions

When violations are identified or reasonably suspected, Legacy Match may take immediate action, including:

- Removal of violating content
 - Temporary suspension of accounts pending investigation
 - Permanent account termination
 - Blocking of associated accounts or identifiers
 - Preservation of relevant data for investigative or legal purposes
 - Referral to law enforcement where required by applicable law
-

6. Ongoing Review and Improvement

Legacy Match continuously evaluates and updates its safety systems to improve detection of non-consensual activity, enhance user protection, and ensure compliance with applicable laws and payment processor requirements.

7. Policy Enforcement Scope

This policy applies to all users, content, and activities conducted on Legacy Match. Use of the platform constitutes acceptance of this policy and agreement to comply with its terms.
